

we are GOOD TENANTS

Everyone wants to be a good tenant so we can have a proud home and a proud community
Being a good tenant means:

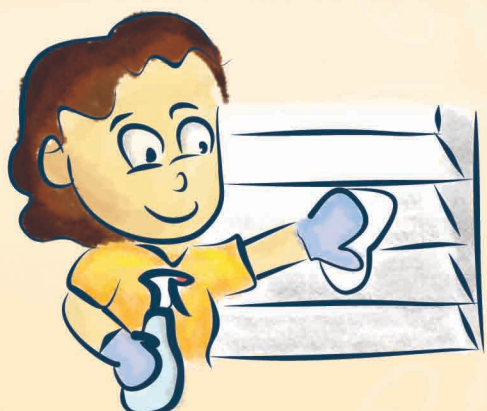

Paying rent and bills regularly

Reporting water leaks and damage to the housing mob

Keeping the house clean and tidy

Keeping the lawn mowed

Turning down the TV and music after 9 PM, so everyone can sleep at night

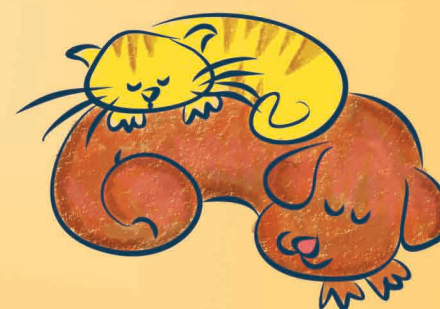

Not humberging our neighbours

Keeping cats and dogs in the yard at night

Not having too many cats and dogs. Two is enough

If cats roam around, they will eat the wildlife.
Dogs will bark and fight, causing nuisance to others.

Too many pets means spending more money to feed them.

Always putting rubbish in the bin

Lastly... making sure that our family and visitors are being good tenants as well!
