

Save Water

Always close taps properly

Turn the tap off while brushing your teeth, shaving, or washing hands

Wash on a full load
don't just wash a few pieces of clothes

Water the garden at night for 30mins
Don't let it run the whole day

Report water leaks immediately

If your toilet keeps hissing you have a water leak, report it to your property manager

even if the water leak is not inside your house, please report it to your property manager

Save Water = save money = save the environment
